3D Exploded view

- Ultra smooth walls can be washed easily with built-in, irremovable air vents to protect the cabin from insects and rain.

- Highly stable door with easy wash moulding.

- Functional waste collection tank with ergonomic seat and anti-contact bends.

- Single block floor highly resistant to impact, with non-slip surface and raised rims preventing accumulation of dirt and facilitating the washing and disinfecting operations.

Pluses

Highly stable door thanks to the heavy-duty spring coil. A wind resistant device has been fitted to the door to ensure perfect closure when unlocked.

The overlapping wall assembly system means that the rivets are hidden throughout for greater safety.

Curved corners for easy gripping.

Comfortable and sturdy at the same time, it has an excellent size/weight ratio ensuring user comfort and easy handling for the operator.

Integrated components

Top Line comes with:

Urinal with drain cover and lodging for the urinal block which disinfects and perfumes the environment as well as preventing obstruction of the pipe.

Toilet paper holder holds 3 rolls with practical utility shelf.

Accessories

Handwash (internal) foot pump, capacity 7 1/2" gal., slim lines.
